Family-School Compact for Achievement

Charles Walker, Principal

What is a Family-School Compact for Achievement?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. The compact explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Please review this School-Parent Compact with your child. This School-Parent Compact will be discussed with you throughout the year at different school-family events as we work together to help your child succeed in school.

Please sign and date below to acknowledge that you have received, read, and agree to this School-Parent Compact. Once signed, please return the form to your child's teacher. We look forward to our school-parent partnership!
